Unit Title:	Enable Inclusive Guided Rides
Unit Level:	Level 2
Unit Credit Value:	3
GLH:	24
LASER Unit Code:	WJI075
Ofqual Unit Code:	M/652/4692

This unit has 5 learning outcomes.

Learning Outcome (The learner will):		Assessment Criteria (The learner can):	
1.	Be able to communicate effectively with riders and volunteers.	1.1	Deliver a pre-ride briefing to: • an individual • a group of riders • a group of volunteers.
		1.2	Describe the route including: • distance • duration • difficulty • potential hazards and risk mitigations etc.
		1.3	Outline stopping points, refreshment opportunities and toilet facilities to riders.
		1.4	Define riding etiquette.
		1.5	Introduce ride enablers and other volunteers.
		1.6	Describe what to do if a group gets separated.
		1.7	Give examples of communication methods using: • hand signals • spoken communication.
2.	Be able to carry out a pre-ride cycle check with riders.	2.1	Carry out a basic safety check on a cycle with riders to check: • **A**ir • **B**rakes • **C**hain • **D**irection.
3.	Be able to move riders effectively.	3.1	Describe to riders how guided riding works and that you will be giving directions and encouragement.
		3.2	Communicate effectively with other ride enablers.
		3.3	Support riders by: • riding alongside them • giving advice • advising on gear selection • informing on their position.
		3.4	Provide route information to ride enablers including about:

Learning Outcome (The learner will):		Assessment Criteria (The learner can):	
			• turns • lane changes early to give them time to get into position.
		3.5	Set a suitable pace for the guided ride.
		3.6	Carry out regular headcounts to ensure no riders are left behind.
4.	Be able to manage rider behaviour during the ride.	4.1	Agree behaviour boundaries with the riders.
		4.2	Maintain agreed boundaries for the guided ride.
5.	Be able to complete the guided ride.	5.1	Carry out a final headcount to ensure all riders are accounted for.
		5.2	Complete feedback using organisation's own documentation to report on • any incidents • 'near misses' • suggested improvements or changes.
		5.3	Outline ways for riders to give feedback about the guided ride.

Assessment Guidance:
Current legal and regulatory frameworks and guidance as well as accepted good practice must be applied to the delivery of this unit.
