

Unit Title: Measure: Weight
Unit Level: Entry 3
Unit Credit Value: 1
GLH: 10
LASER Unit Code: WJC805
Ofqual Unit Code: Y/506/0921

This unit has 3 learning outcomes.

LEARNING OUTCOMES		ASSESSMENT CRITERIA	
The learner will:		The learner can:	
1.	Be able to measure weight.	1.1	Read and record weights in decimal notation using metric measurements.
		1.2	Read a weighing scale to labelled divisions.
		1.3	Read a weighing scale to unlabelled.
		1.4	Select metric units of weight for everyday items.
2.	Be able to order weights.	2.1	Order weights in decimal notation with up to 2 decimal places.
3.	Be able to estimate weights.	3.1	Estimate the weight of everyday items in decimal notation using metric measurements.
