### Additional information:

• Dignity

Respect

Partnership

An Individual is someone requiring care or support

Complex or sensitive situations may include those that are:

- Distressing or traumatic
- Threatening or frightening
- · Likely to have serious implications or consequences
- Of a personal nature
- Involving complex communication or cognitive needs

A Care Plan may be known by other names (eg: support plan, individual plan). It is the document where day to day requirements and preferences for care and support are detailed.

Consent means informed agreement to an action or decision; the process of establishing consent will vary according to an individual's assessed capacity to consent.

Active Participation is a way of working that recognises an individual's right to participate in the activities and relationships of everyday life as independently as possible; the individual is regarded as an active partner in their own care or support, rather than a passive recipient.

Holistic - covers all aspects of an individual's well-being

Others may include:

- Colleagues
- Social worker
- Occupational Therapist
- GP
- · Speech and Language Therapist
- Physiotherapist
- Pharmacist
- Nurse
- Specialist nurse
- Psychologist
- Psychiatrist
- Advocate
- Dementia care advisor
- Family or carers
- Well being may include aspects that are:
- Spiritual
- Emotional
- Cultural
- Religious
- Social
- Political
- Sexual
- Physical
- Mental
