1. Introduction

This document contains information on Laser Learning Awards (LASER) products and prices for 2025 -2026. It lists all prices relating to Ofqual regulated qualifications and unregulated provision. Prices relating to Access to HE Diplomas regulated by QAA can be found on the [LASER website](#).

The products and prices published in this document are effective from 1 August 2025 to 31 July 2026, and are accurate at the time of publication. It is the responsibility of the approved centre to ensure the most up-to-date version of this document is in use. In the event of non-payment of accounts LASER reserves the right to suspend registrations, withhold certificates and withdraw centre approval.

LASER is a registered charity whose mission is to transform people's lives through the recognition of their learning and achievement. We reinvest any profits we make into our organisation, and can therefore keep our prices as low as possible to support our centres and learners, and we do not have shareholders drawing dividends from profits.

Unlike many Awarding Organisations, as a charity our prices DO NOT have VAT added. All prices listed are the prices you will pay. Furthermore unlike many other Awarding Organisations we DO NOT charge for approval visits, quality assurance visits, or support, unless extra support is needed in any of the circumstances listed in section 3 below.

Please [contact us](#) if you have any questions about our products and prices.

2. Standard Centre Fees:

All prices quoted are the prices you will pay - NO VAT is added.
