## 1. Introduction

This document contains information on LASER Trident Awards products and prices for 2026-2027. It lists all prices relating to Ofqual regulated qualifications in the security industry offered under the Trident Awards brand. Prices relating to other Ofqual regulated qualifications and unregulated provision and prices relating to Access to HE Diplomas regulated by QAA can be found on the [LASER website](#).

The products and prices published in this document are effective from 1 August 2026 to 31 July 2027, and are accurate at the time of publication. It is the responsibility of the approved centre to ensure the most up-to-date version of this document is in use. In the event of non-payment of accounts LASER reserves the right to suspend registrations, withhold certificates and withdraw centre approval.

LASER Trident Awards is a registered charity whose mission is to transform people’s lives through the recognition of their learning and achievement. We reinvest any profits we make into our organisation, and can therefore keep our prices as low as possible to support our centres and learners, and we do not have shareholders drawing dividends from profits.

Unlike many Awarding Organisations, as a charity our prices DO NOT have VAT added. All prices listed are the prices you will pay. Furthermore unlike many other Awarding Organisations we DO NOT charge for approval visits, for quality assurance visits, additional fees for SIA licence-linked security qualification approval, or for support, unless extra support is needed in any of the circumstances listed in section 4 below.

Please [contact us](#) if you have any questions about our products and prices.
