

Unit Title: Measuring And Using Weight
Unit Level: Entry 2
Unit Credit Value: 1
GLH: 10
LASER Unit Code: WJB242
Ofqual Unit Code: D/504/3473

This unit has 2 learning outcomes.

LEARNING OUTCOMES		ASSESSMENT CRITERIA	
The learner will:		The learner can:	
1.	Be able to estimate and measure weight of objects.	1.1	Estimate weight of objects in metric.
		1.2	Use measuring tools to measure the weight of objects, reading to the nearest labelled division of a scale.
2.	Be able to use measurements of weight.	2.1	State weight measurements required for a specific purpose.
		2.2	Measure and record weights required for specified purpose.
		2.3	Use abbreviated form of units.
		2.4	Use measurements for the specified purpose.

Assessment Guidance:

1.1 A minimum of five objects.
