Unit Title: **Handling Data**
Unit Level: **Level 1**
Unit Credit Value: **2**
GLH: **18**
LASER Unit Code: **WJC711**
Ofqual Unit Code: **R/506/1050**

This unit has 3 learning outcomes.

LEARNING OUTCOMES		ASSESSMENT CRITERIA	
The learner will:		**The learner can:**	
1.	Be able to extract information from data.	1.1.	Extract information from tables.
		1.2.	Extract information from line graphs.
		1.3.	Extract information from pie charts.
2.	Be able to interpret information from data.	2.1.	Interpret information from tables.
		2.2.	Interpret information from line graphs.
		2.3.	Interpret information from pie charts.
		2.4	Interpret diagrams in practical contexts.
		2.5	Interpret scale drawings using a simple scale.
3.	Be able to represent discrete data.	3.1.	Implement methods for collecting data.
		3.2.	Represent data collected.
		3.3.	Organise given data sets.
		3.4	Represent given data sets.
