

Unit Title: Checking And Maintaining Car Tyre Pressure And Tread
Unit Level: Level 1
Unit Credit Value: 1
GLH: 9
LASER Unit Code: WJC751
Ofqual Unit Code: T/506/0862

This unit has 2 learning outcomes.

LEARNING OUTCOMES		ASSESSMENT CRITERIA	
The learner will:		The learner can:	
1.	Be able to identify and safely use relevant tools and equipment.	1.1	Name and state the purpose of relevant tools for the job, including tyre pressure gauge, air line and inflator, tread gauge and tyre pressure chart.
		1.2	Use tools safely.
2.	Be able to maintain tyres on a car.	2.1	Check all tyres for uneven wear and damage and record findings in an approved format.
		2.2	State legal tyre tread depth.
		2.3	Check tread depths of all tyres with tread gauge, and record in an approved format.
		2.4	Identify front and rear tyre pressures of the specified car from a tyre pressure chart.
		2.5	Check all tyre pressures and increase or decrease to correct value using an air-line pressure gauge and inflator.
