

Unit Title: Working With Fractions
Unit Level: Entry 3
Unit Credit Value: 2
GLH: 20
LASER Unit Code: WJF549
Ofqual Unit Code: D/503/3476

This unit has 3 learning outcomes.

LEARNING OUTCOMES		ASSESSMENT CRITERIA	
The learner will:		The learner can:	
1.	Be able to identify common fractions.	1.1	Record unit fractions as one part of the whole.
		1.2	Record non-unit fractions as several equal parts of a whole.
2.	Be able to use equivalent fraction forms.	2.1	Identify equivalent fractions for: <ul style="list-style-type: none"> • half • quarter • third
		2.2	Identify equivalent fractions for a whole.
3.	Be able to calculate fractions of a quantity	3.1	Calculate simple fractions of quantities in practical situations. (The denominators of the fractions will be restricted to 2, 3, 4, 5 and 10).
