* Total Qualification Time

ENTRY REQUIREMENTS

Learners must be able to meet minimum practice requirements where applicable. Providers should consult the Qualification Specification for further guidance which also covers subject/vocational competency and the minimum core of literacy, numeracy and ICT.

KEY BENEFITS TO LEARNERS AND CENTRES

- Revised in conjunction with the ETF.
- The 'industry standard' qualifications for teachers and trainers working in further education, adult and work-based learning in England.
- Can be used as initial training or CPD.
- Ongoing support available from a dedicated quality reviewer/external verifier.
- Indicative assessment tasks provided.
- Tracking sheets to monitor progress provided.
- The Award can be undertaken by those not currently teaching or training.
- The Certificate and Diploma each confer occupational competence.
- The Diploma provides an opportunity to study teaching and learning theories, frameworks and models in depth.
- Registrations can be made at any time during the year.

ASSESSMENT

- Learner compiles a portfolio of evidence to show they have met each unit assessment criteria.
- Learner also needs to meet minimum practice requirements (Cert and Dip only - there is the option of a micro-teach in the Award) and standards of observed practice.
- Internally assessed.
- Internally quality assured.
- Externally quality assured.
- Direct Claims Status available
