

LEVEL 3 OF QUAL REGULATED QUALIFICATION

LASER Level 3 Award in Supervising Food Safety

PRODUCT SUMMARY

The LASER Level 3 Award in Supervising Food Safety has been developed for those supervising or preparing to supervise others involved in the preparation, storing and handling of food.

Learners will gain an understanding of:

- Food safety management procedures
- Food safety legislation and enforcement
- The importance of personal hygiene
- Good practice for controlling contamination and cross contamination of food
- Safe processes for food preparation, cleaning and disposal of waste food
- Critical issues relating to food hazards and allergens

* Total Qualification Time

ENTRY REQUIREMENTS

- Learners must be at least 16 years old on the first day of the training.
- It is recommended (but not mandatory) that learners already hold a Level 2 Award in Food Safety in Catering (QCF) or (RQF) or equivalent.

There are no other formal entry requirements but to benefit from the learning we recommend that learners have a minimum of Level 2 in literacy and numeracy.

KEY BENEFITS TO LEARNERS AND CENTRES

- Online assessment available
- Provides underpinning knowledge of critical issues relating to preparation, storing and handling of food
- Is aimed at those with responsibility for supervising others involved in preparing, storing and handling of food
- Provides progression to higher level Food Safety qualifications, e.g. Level 4 Award in Managing Food Safety in Catering

ASSESSMENT

- The qualification is assessed via a multiple-choice examination consisting of 50 questions. Pass mark: 70% (35/50).

PUBLIC FUNDING

TBC

This information is provided in good faith and is subject to change at any time by the funding agencies. Centres are responsible for checking funding eligibility directly with funding agencies.

IMPORTANT INFORMATION

- All centres must obtain LASER approval to deliver them. Please refer to Qualification Specification for full details.
- This qualification suite will be available until at least 31st January 2027.
