Our Customer Support Team can help you with this process so that it is quick and easy – [contact us](#) if you need any assistance.

Once you have registered your cohort on the LASER web portal, you will find 'Notes on this submission' at the bottom of the ERegistration Submission page. For a cohort that has previously achieved an Award or Certificate, you must write here, as appropriate: 'Learners previously achieved Award: 10% discount' or 'Learners previously achieved Certificate: 10% discount'.

Please note that the 10% discount applies to a nested qualification of exactly the same title, not nested qualifications of different titles within a suite. Please check with us if you are unsure about this.

Remember to **claim learner achievement as they achieve**. Please only claim once per learner per run to avoid being charged if the learner achieves any additional qualification(s) on the same run.

Rules of Combination

The benefit of setting up your courses in the way described above (Award/Certificate/Diploma) is that the rules of combination can be easily achieved and carried forward, and you will receive a discount for each achievement after the first.
